DESCRIPTION

2026 Toyota BZ Limited AWD for sale

The 2026 Toyota bZ Limited is the fully loaded version of Toyota's electric SUV, and it leans more [nice place to be] than [barebones EV.] It's quick, smooth, and quiet with dual-motor AWD, and you're looking at an estimated ~436 km of range, which is plenty for daily driving without constantly thinking about charging. Inside is where it flexes a bit - big 14-inch touchscreen, JBL audio, heated and ventilated seats, panoramic glass roof, and a digital rearview mirror. You've also got all the safety tech like adaptive cruise, lane assist, and blind-spot monitoring working in the background. Overall, it's a comfy, techy EV that feels more premium than you'd expect, without getting complicated about it.
